Newport News, VA 23607

Dear Recreational Fishing Advisory Board Members:

The Peninsula Salt Water Sport Fisherman Association has reviewed the New Request that the City of Newport News has submitted for the FALL 2006 proposals. We Support the request for the additional funds to complete the project.

As always, we appreciate the opportunity to express our views on the disbursement of our recreational license money.

Thank you for your consideration.

David Agee
Government Affairs
Peninsula Saltwater Sport Fisherman's Association
